## **\$2 Summer Dips are back: Lord Mayor**

The weather is heating up and one of the best ways to stay cool is to jump in one of our Council pools.

So we've made the decision to bring back \$2 Summer Dips to help keep costs down for families.

Entry to Council pools is just \$2 per person until the end of February 2025, making it easy to splash out on more dips and cool down for less than the cost of a coffee.

Best of all, there's no limit, so you can go as often as you like to your local pool and continue to save.

Last December, visits to our Council pools more than doubled with families saving close to \$2 million in pool entrance fees during summer.

We're working hard to keep costs down for you and \$2 Summer Dips are a great way to see and do more right across the city, for less.

Lord Mayor, Adrian Schinner

## Christmas in the suburbs

## Christmas in Brisbane

Experience the magic of Christmas this December as Brisbane comes alive with a line-up of free and festive events.

Share in the Christmas spirit with pop-up performances in Queen Street Mall from 6 December, and a sleigh-full of new decorations!

In King George Square, the always-popular City Hall Lights returns on 6 December, running every 15 minutes from 7.30pm to midnight.

While you're in the city, don't miss Brisbane's dazzling Christmas tree and get all of your Christmas shopping sorted!

### DID YOU KNOW?

It takes 4 days to build the Brisbane Christmas tree. Decorations include 8,640 multi-coloured LED lights, 2,000 pieces of foliage, 60 chrome baubles, 30 gold stars, 24 candy canes and 22 red bows.

**LORD MAYOR'S CHARITABLE TRUST**

## Dip, Dip, Hooray! \$2 Summer Dips are back

Pack your swimmers, towels and sunscreen because our \$2 Summer Dips are back, with entry to Council pools only \$2 per person until Friday 28 February 2025.

From serious lap swimmers to summertime soakers, there is a pool for everyone.

Visit our website to find local pools with wading pools, drop buckets, bubblers and water jets.

Don't forget to be sun smart and slip, slop, slap, seek and slide.

Program exclusions include Chermside Water Park, Newmarket Large Water Slide and Learn to swim, squads, school swimming and aqua aerobic programs.

## Brisbane's newest playgrounds

Family fun is a walk in the park with adventures that can be found across Brisbane.

For thrill-seeking kids, Victoria Park's new urban pump track offers 260 metres of excitement on 2 wheels.

There's a new nature playground to enjoy under the iconic fig trees at Sherwood Arboretum, which is one of 3 Brisbane botanic gardens.

Visit the reimagined Archerfield Wetlands District Park where kids can explore the adventure playground, splash in the water play area or shoot hoops on the full-sized basketball court.

To plan your next family day out at one of more than 2,180 parks across the city, search 'playgrounds' on our website.

## Discover Murarrie Recreation Reserve

Now home to the brand-new Brisbane International Cycle Park, Murarrie Recreation Reserve offers more for the whole family to enjoy.

Why not start with a walk or ride around the scenic 1.5-kilometre pathway that outlines the reserve?

There are connecting bikeways that link to local amenities, a skate park, the Vicki Wilson Playground and plenty of spots to relax and enjoy a picnic while watching all the action.

Grab the whole family and find your next adventure at Murarrie Recreation Reserve!

## Milestone for Beams Road

A new signalised intersection at Dorville Road will soon operate as part of the Beams Road upgrade.

It replaces the previous roundabout and includes a widened road on Beams Road to improve safety and ease congestion.

Construction work is continuing along the corridor between Lacey Road and Balcara Avenue.

We're planning more improvements between Carselgrove Avenue and Handford Road. These include widening the road, constructing a new shared path and a shared underpass at Cabbage Tree Creek for people walking and riding.

The Beams Road upgrade is jointly funded by our Better Roads for Brisbane program and the Australian Government.

## Good news for pedestrians on Moggill Road

It will soon be a lot easier to walk between the 2 major shopping strips at Indooroopilly.

We've listened to community feedback and are currently constructing paths and a signalised pedestrian crossing at Coonan Street.

The pedestrian signals on Moggill Road will also be relocated to allow access to the shared paths under the overpass.

You can stop and rest on new seating or grab a quick drink at a water bubbler for yourself or your 4-legged friends.

Visit [brisbane.qld.gov.au](https://brisbane.qld.gov.au) for more information on the pedestrian facilities included in the upgrade.

## Here's to keeping Brisbane moving

In 2024, we took some big steps forward in creating more sustainable transport options for our city.

The free City and Spring Hill loops buses picked up their 1 millionth passenger, a milestone more than 3 years in the making.

We brought ferries back to Dockside, started CityCats at Howard Smith Wharves and upgraded Mowbray Park ferry terminal to be more accessible and flood resilient.

We completed active transport bridges at Breakfast Creek, Jindalee and Aspley, and will soon open the Kangaroo Point Bridge.

Metro services also launched on route 169 as part of a Brisbane Metro preview phase. More high-frequency, turn-up-and-go services will launch early 2025.

This is all part of our plan to keep Brisbane moving today and into the future!

# Brisbane's newest bridge set to open

Kangaroo Point Bridge will officially open on Sunday 15 December 2024.

The new bridge is expected to reduce car trips across the river by up to 84,000 trips per year and shave up to half an hour off residents' trips between Kangaroo Point and the CBD.

Making it easier to walk or ride between Kangaroo Point, the eastern suburbs and the city, the bridge celebrates our subtropical river city. It provides a convenient, safe and accessible connection for everyone.

Features include dedicated bike and pedestrian paths and viewing platforms with panoramic river views. At either end of the bridge, you'll be able to safely connect to active transport links in the city and Kangaroo Point.

The Kangaroo Point Bridge is partially funded by the Australian Government through the South East Queensland (SEQ) City Deal. Search 'Kangaroo Point Bridge' on our website for more information.

## Bridge history preserved for future generations

A slice of history has been preserved at the Kangaroo Point Bridge, with a time capsule buried full of artefacts to highlight the bridge's history, design and legacy.

Items include samples of materials the bridge is made from, memories from those who worked on its construction, a copy of *The Courier-Mail* and predictions of what Brisbane will look like in 50 years as imagined by New Farm State School students.

The time capsule is planned to be opened on 1 October 2024, providing future generations insight into the work and design that went into the bridge, and a glimpse of what life looked like in 2024.

## Kangaroo Point Bridge fast facts

There are lots of interesting facts and figures about the Kangaroo Point Bridge. Here are just a few.

- ◆ The bridge's 75 solar panels generate 154 kilowatt-hours per day - each year, that is enough to power 10 Queensland homes.
- ◆ The bridge weighs a total of 1,752 tonnes.
- ◆ The combined length of the bridge cables is 3,500 metres - long enough to go from the main mast to the Breakfast Creek Bridge, Newstead.
- ◆ It's Brisbane's tallest bridge, with the mast standing at 95 metres above the Brisbane River.
- ◆ The bridge contains 7,991 cubic metres of concrete, which would fill more than 3 Olympic-size swimming pools.
- ◆ Banjo Patterson's poem, *Mulga Bill's Bicycle*, inspired the name of the bridge's riverside café, opening in 2025.
- ◆ The bridge features dedicated walking and cycling paths, bike racks and a lift from the bridge deck to C.T. White Park.

### YOU'RE INVITED!

Join the celebrations and be one of the first to cross Brisbane's newest (and tallest) bridge. See you at the city end of the bridge, corner of Edward and Alice streets from 8am Sunday 15 December.

## Local news

### STAY SAFE AROUND WATER

Ensure the safety of your friends and family around the pool this summer by making sure your pool fence is secure, with no gaps and no objects nearby that can be climbed. Check that the gates are self-latching, always remember to close the gate and always supervise children in pool or spa areas.

### SAFETY BOOST FOR DOOLANDELLA

Works at the Blunder Road and Wallaroo Way intersection are complete. New traffic lights have been installed along with other measures to improve safety for all road users, including people walking and riding, providing better access to public and active transport. This project was jointly funded by the Australian Government's Road to Recovery Program and Council.

### MOOROOKA ROAD SAFETY UPGRADES

We're starting works on Colebrook Avenue at Beaudesert Road in Moorooka to improve safety and accessibility for all road users. Our works will include installing a pedestrian refuge island on Colebrook Avenue, upgrading pavement and kerb ramps, and new line markings.

## Explore our heritage trails

Did you know Brisbane has more than 20 self-guided online heritage trails?

Learn about Aboriginal cultural ties to Boondall Wetlands on the Nurri Millen Totem Trail, where you can find 18 cast aluminium totems marking important foods, plants, animals, tools and Dreaming stories.

Our newest trail - the Brisbane River Heritage Trail - can be enjoyed from the CityCat as you cruise past 32 historic places from Hamilton to St Lucia.

For more information, visit [brisbane.qld.gov.au](http://brisbane.qld.gov.au) and search 'heritage trails'.

## Waste less and save more this Christmas

Save money and reduce waste by making the most of your gift wrapping and food this festive season.

- ◆ Make your own wrapping paper with scarves or fabric, inspired by the Japanese art of furoshiki.
- ◆ Ensure any wrapping paper you buy is recyclable by avoiding cellophane and metallics and rethinking ribbons and glitter.
- ◆ Carefully unwrap gifts to save your wrapping paper for next year or get creative by transforming it into decorations and gift tags. Place recyclable wrapping paper loosely into your recycling bin.
- ◆ Reduce festive food waste by meal planning, checking what you have already and catering for the exact number of guests.
- ◆ Ask guests to bring take-home containers for leftovers and compost your food scraps.

For more tips, search 'food waste' on our website.

## School holidays checklist

Bust summer holiday boredom with this checklist of free and affordable school holiday activities.

- ♦ On 16 December, make your own Christmas cards at Toowong Library in this free craft session.
- ♦ Learn the basics of stand-up paddle boarding along the Manly foreshore on 16 and 17 December and 13 and 14 January for kids aged 10-17. Each class costs \$6.
- ♦ Gain confidence and learn self-defence skills in Kuraby for girls aged 5-17 on 17 December. It's free to join.
- ♦ Help your tweens and teens find their inner zen in Victoria Park at slow mindful yoga on 8 January.

Search 'school holidays' on our website for more inspiration and bookings.

## Get creative at Visible Ink

Located in the heart of Fortitude Valley, Visible Ink Youth Hub is the place for young people aged 12-25 to explore new ideas and develop creative skills for free.

Drop in during staffed hours to access fully equipped creative and rehearsal spaces, including a Maker Space, Zine Library and art and media studios.

Resources are available to help bring ideas to life, including cameras, tripods and DJ equipment.

Regular art and open mic sessions provide opportunities to showcase skills and meet like-minded people.

To learn more, search 'Visible Ink' on our website.

## Summer reads

Check out Brisbane libraries' hottest recommendations and join the Summer Reading program at your local library, from 2-25 January, for a chance to win prizes.

### Adult literature

- ♦ Crime fiction addicts will love Chris Hammer and Benjamin Stevenson.
- ♦ Fall in love with books from Maya Linnell and Fiona McArthur.
- ♦ Literary fiction doesn't get better than Trent Dalton and Melissa Lucashenko.
- ♦ Non-fiction enthusiasts should dive into Kári Gíslason and Grantlee Kieza.

### Junior fiction

- ♦ Solve a mystery with David Walliams and R. A. Spratt.
- ♦ Share the magic with Allison Rushby and Matilda Rose.
- ♦ Roll around laughing with Anh Do and Real Pigeons.
- ♦ Travel to new dimensions with Rick Riordan and Melanie La'Brooy.
- ♦ Go on an adventure with Remy Lai and Andy Griffiths.

### Young adult fiction

- ♦ Indulge your romantasy obsession with Holly Black and Sarah J. Maas.
- ♦ Explore coming-of-age stories with Rhiannon Wilde and Gary Lonesborough.
- ♦ Escape to other worlds with Lili Wilkinson and Amie Kaufman.

## Stop summertime mozzies and flies

Summer is a great time to enjoy Brisbane's outdoor lifestyle, but mozzies and flies can put a dampener on activities. Protect yourself from mozzies with these simple tips.

- ◆ Wear loose-fitting, light-coloured clothes with long sleeves and trousers.
- ◆ Use insect repellent containing picaridin or DEET on exposed skin.
- ◆ Limit your time in mosquito-prone areas, especially at dawn and dusk.
- ◆ Use mosquito coils, lanterns and insecticide emanators.
- ◆ Screen windows and doors.
- ◆ Empty backyard containers that can hold water.
- ◆ Make sure rainwater tank screens are in good condition.
- ◆ To limit flies, it's important to keep outside areas clean, bins well-sealed, and pet food and excrement cleaned up.

For more information, visit [brisbane.qld.gov.au](http://brisbane.qld.gov.au) and search 'invasive plants and animals'.

Donate unwanted items at Council's resource recovery centres

## New year, clean slate

Start 2025 afresh by tidying up and giving your unwanted furniture, household items, clothes and books a new life by donating them to our Treasure Troves.

Drop items at any of our 4 resource recovery centres for free. You can use your waste vouchers for general or green waste.

Don't forget to keep an eye out for our free drop-off days for household hazardous waste across the year.

Make the most of your garden by ordering a green bin to recycle lawn clippings, prunings and leaves from the comfort of your own home.

Visit our website and search 'waste and recycling facilities' for more information.

## Bushcare volunteering

Are you and your family passionate about taking care of your local environment? Would you like to make new friends and enjoy Brisbane's great outdoor lifestyle?

Bushcare volunteering might be for you! Our Habitat Brisbane program supports 150 community bushcare volunteer groups that get together for regular hands-on working bees to help our natural environment thrive.

For these and other volunteering opportunities across Council, visit [brisbane.qld.gov.au](http://brisbane.qld.gov.au)

## Prepare an emergency kit

Be prepared for severe weather by making an emergency kit and storing it in a safe and easy-to-access location. Use this handy checklist to help you get started.

### Emergency kit checklist:

- ◆ an emergency plan covering all scenarios
- ◆ waterproof torch
- ◆ portable radio
- ◆ batteries
- ◆ mobile phone with car charger
- ◆ cash and credit cards
- ◆ spare house and car keys
- ◆ first aid kit including essential medications and copies of prescriptions
- ◆ drinking water and non-perishable food
- ◆ sealable waterproof bags
- ◆ food utensils and manual can opener
- ◆ sturdy gloves and rubber boots
- ◆ pet food and supplies
- ◆ baby food and supplies
- ◆ tools such as pliers and a utility knife
- ◆ copies of important documents.

For information on emergency plans, emergency kits and disaster readiness, search 'Be Prepared' on our website.

## Reconnect with nature

Brisbane has plenty of places to unwind in nature.

Here are a few great places to enjoy the outdoors.

- ◆ Get a dose of fresh air at the Brisbane Botanic Gardens Mt Coot-tha, a living museum of plant collections, lush greenery and walking trails.
- ◆ Learn about our incredible native flora and fauna at our environment centres at Boondall Wetlands, Downfall Creek (Chermside West) and Karawatha Forest.
- ◆ Head to Brisbane's bayside for coastal views and seaside parks including Nudgee Beach Reserve, Tinchi Tamba Wetlands Reserve, Bald Hills and Fig Tree Point Park, Lota.
- ◆ Enjoy a scenic walk or a bike ride along the river and stop at a park along the way for a picnic with a view.

To discover more than 2,180 parks throughout Brisbane, search 'parks' on our website.
