### NOTICE MINOR AND ADMINISTRATIVE AMENDMENT PACKAGE T

At its meeting on 29 October 2024 Brisbane City Council adopted a minor and administrative amendment to *Brisbane City Plan 2014* (Minor and administrative amendment package T). The amendment applies citywide and will commence on 6 December 2024.

The purpose and general effect of the proposed amendment is to:

- increase Brisbane's resilience to flooding by updating the flood overlay mapping for the Creek/waterway flood planning areas, to reflect recent flood study updates for Brighton Creek, Kedron Brook, Sandy Creek, Toowong Creek and Witton Creek catchments;
- update relevant parts of the planning scheme to reflect changes to the *Planning Regulation 2017* made through the *Justice (Decriminalising Sex Work) and Other Legislation Amendment Regulation 2024*;
- update the Bushfire planning scheme policy and Transport, access, parking and servicing planning scheme policy to ensure their currency in referencing external guidance; and
- other minor and administrative amendments including improvements to the effectiveness and usability of the planning scheme such as grammar, references and formatting.

Copies of the amendment are available for inspection and purchase from the Brisbane City Council Library and Customer Service Centre, Level 1, North Quay Podium, Brisbane Square, 266 George Street, Brisbane.
