## Track difficulty rating

Note: unnamed and unrated tracks are of varying grades.

- Easy:** mostly flat with minor slopes and fairly even track surface with few obstacles.
- Moderate:** track may be hilly and have uneven surfaces in sections. Steps may be present.
- Hard:** track may be steep, uneven and have obstacles in sections.

## Dog on leash area

Please keep your dog on a lead at all times. Karawatha Forest is home to many species of wildlife.

Please note – during your visit you may see a Council or authorised contractor vehicle undertaking necessary maintenance or site inspection work within the reserve.
