

# Kingfisher Creek Corridor Concept Plan Connectivity

Dedicated to a better Brisbane

Brisbane City Council's concept plan for Kingfisher Creek that will inspire a series of 'stepping-stone' parks and urban green spaces linking the community to the creek.

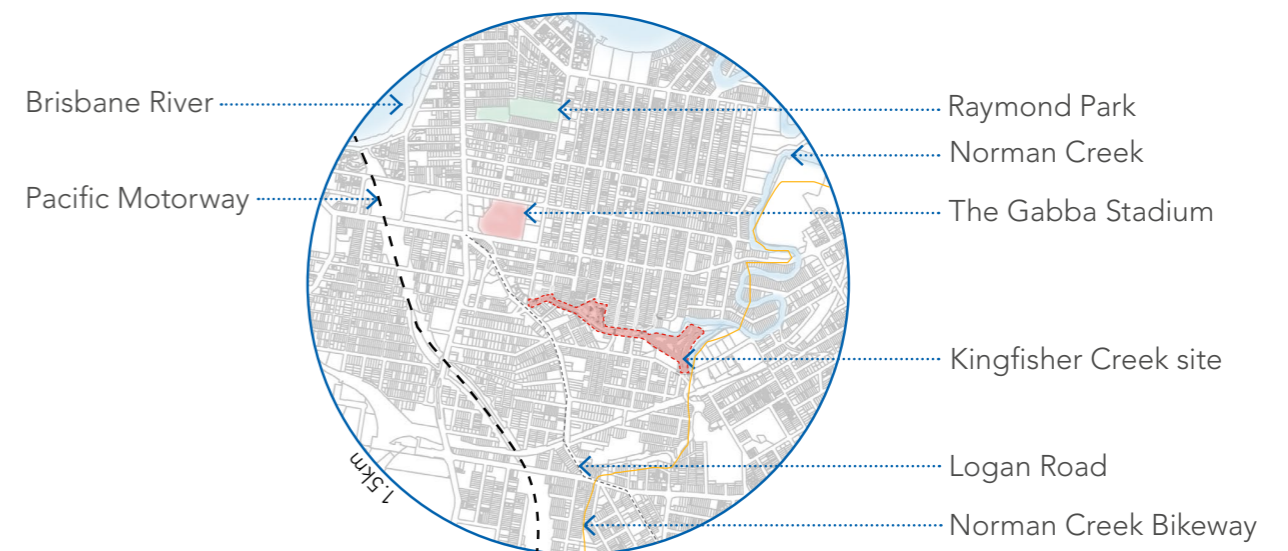

Kingfisher Creek runs primarily underground through Woolloongabba and East Brisbane until it connects with Norman Creek at Moorhen Flats. It is proposed that the Kingfisher Creek corridor concept plan will rejuvenate and revitalise this area, providing connection and improved recreation opportunities for the community to enjoy.

## LEGEND:

- 1 Pedestrian and cyclist crossing
- 2 Lisburn Street closure at Hampton Street
- 3 Longlands Street road closure with vehicle turn-around
- 4 Lerna Street reconfigured to be a one-way street
- 5 Norman Street road closure with vehicle turn-around facility
